## Antiques with Distinction introduces its new site:

### An ultimate virtual experience when looking for Imported Fine French Antiques

*U.S. Connoisseurs and High-End Interior Designers now have a powerful and convenient tool.*

Califon, NJ – March 3<sup>rd</sup>, 2008 –

“ At Antiques with Distinction the pieces are of past century, but the website is modern and convenient! ”

U.S. connoisseurs and Interior designers know how frustrating it is to screen dealer inventory when looking for Fine French Antiques. Websites are usually not user-friendly, do not allow for a refined search by country of origin, and the quality items are buried among reproductions that may be 100 years old, but do not have value asked for.

Antiques with Distinction is changing this equation.

Antiques with Distinction's new website was unveiled on March 3, 2008 and it offers access to a large inventory of Fine French Antiques. Each item is presented with numerous pictures that can be enlarged and all characteristics of each particular piece are provided, including the piece's dimensions, age, design specifics and price. Visitors can print pictures and descriptions of any item they are interested in a convenient Adobe Acrobat PDF® form, e-mail a picture and description of any item(s) to a friend and even e-mail a picture and description to a customer without the price of the item.

Antiques with Distinction's website also offers a comprehensive glossary of technical terms, a useful Frequently Asked Questions section and a practical synopsis on French Decorative Art history. The website presents additional quality services that Antiques with Distinction offers to the trade or individual customers.
